STATE CORPORATION COMMISSION

AT RICHMOND, SEPTEMBER 6, 2002

APPLICATION OF

SOUTH ANNA SERVICE CORPORATION

CASE NO. PUE-2002-00427

For cancellation of certificate
of public convenience and necessity
to provide sewerage service

ORDER CANCELING CERTIFICATE

On May 24, 2002, the State Corporation Commission ("Commission") granted approval, pursuant to the Utility Transfers Act, for South Anna Service Corporation ("South Anna" or the "Company") to sell and for the County of Hanover to purchase the operating assets used to provide wastewater utility service to the residents of the Country Club Hills Subdivision in Hanover County, Virginia.¹ In a letter dated June 11, 2002, the president of South Anna advised the Commission's Staff that the above-referenced transaction took place on May 24, 2002.

NOW THE COMMISSION, having considered the above-referenced transfer, is of the opinion that Certificate No. S-42 granted to the Company should be cancelled.

¹ By Order dated November 18, 1965, in Case No. 17475, South Anna was issued Certificate No. S-42 to provide sewerage service to a certain area in Hanover County, Virginia. Such area was detailed on a map attached thereto. Subsequently, pursuant to a Commission Order entered on September 9, 1991, in Case No. PUE-1991-00004, the Company submitted updated service maps for that service territory on November 6, 1991.

Accordingly, IT IS ORDERED THAT:

(1) Certificate No. S-42 authorizing South Anna Service Corporation to provide sewerage service to a certain area of Hanover County, Virginia, is hereby cancelled.

(2) There being nothing further to be done, this matter is hereby closed, and the papers placed in the file for ended causes.
